

Mid Island Labour™ Services & Solutions

COMPLETE RESTORATIONS

of all outdoor wooden structures, patios, decks, gazebos, fences, etc.

Restoration of older outdoor wooden window frames (sanding, painting, staining.)

RESTORATION OF YOUR LAWN

aeration with application of compost-sand-seeding with starter nutrients and beneficial bacteria for a full and completely weed-free lawn. Also useful for added drainage and a full grown lush lawn.

*Service offered spring and fall.

YARD CLEAN UPS

hand raking of leaves and debris. No blower will be used to keep your space clean. (gutters and installation of aluminum protection guards.)

RESTORATION OF RETAINING WALLS

applying drainage where needed and restoring imperfections on original install.

GARDENING SERVICES

and FREE consultation of how to best utilize your space, plant selection and maintenance, etc.
